## NOTA DEL AUTOR

Este trabajo ha estado realizado durante un año y se ha hecho con el cariño de recordar a estos másters que día a día se lanzan a las piscinas a recordar su juventud como nadadores, y a los que después les ha entrado su amor a nuestro deporte. A sido una recopilación de datos, y quisiera a toda persona que encuentre algún error lo comunique al correo electrónico que encontrarán a pie de pagina.

Encontrareis a faltar algunos años en muchas de las pruebas y es debido a que en aquel año no hubo participación tanto en categoría femenina como de masculina y para no hacer el documento mucho más largo han sido anulados.

## AGRADECIMIENTO A:

**José Manuel Almarza** de la RFEN por aportar los resultados en pdf y los publicados en la página de la RFEN.

**Francesc Fontdevila** del Club Natació Sabadell que a aportado resultados de los numerosos archivos de dicho club.

**Jaume Garcia** de la Federación Catalana de Natació, secretario de los másters por también aportar resultados como complemento de los que ya teniamos.

**Josep Claret** por la publicación de la revista NadoMaster en la que se documentaban todos los resultados de los másters y que de esta publicación se han extraido muchos de los resultados.

**Club Natació Reus Ploms** por aportar resultados de sus archivos.

**Getxo Igeriketa Bolue Kirol Elkarte** por aportar los resultados de los II campeonatos que organizaron en Gexto.
